Breeder of the Year Award

The American Kennel Club began its annual program to award and recognize breeders of purebred dogs at the 2002 AKC/Eukanuba National Invitational Championship. The love of dogs and the commitment to preserve, protect and improve a chosen breed represent the very essence of AKC and the basis for the sport of purebred dogs. The American Kennel Club Breeder of the Year Award will be bestowed on individuals who best exemplify these time-honored ideals and will recognize people who have dedicated their lives to improving the health, temperament and longevity of purebred dogs.

Recipients will be honored at an awards ceremony during Group Judging on Sunday.

Breeder of the Year Trophy - A sterling silver loving cup to be permanently displayed at the Offices of The American Kennel Club, with the recipient's name engraved on a plate on the wooden base. The winner of the Breeder of the Year will receive a 10 inch Sterling Chippendale Tray engraved with their name. Additionally, a canine portraitist is commissioned to commemorate a prominent dog from the recipient's kennel.

Awards will be presented to one honoree in each of the seven groups.

In addition the Breeder of the Year and one honoree in each of the seven groups will have their name(s), Kennel name and breed added to the "Breeders of the Year" plaque which is on permanent display at the AKC.

ACE Awards

There will be a presentation ceremony honoring the recipients of the 2009 AKC Awards for Canine Excellence during Group Judging on Saturday. The honorees will receive engraved silver collar medallions and a \$1,000 cash award.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of his breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
